Information on access facilities at all our stores is available on [www.directenquiries.com](http://www.directenquiries.com)

## Our delivery services

We now offer a wide range of delivery services to make shopping even more convenient with Argos. We deliver everywhere in mainland UK and Northern Ireland as well as to the Channel Islands (thanks to our friends at Ship2me). We can also deliver larger items to the Republic of Ireland. But sorry there are still some areas we can't deliver to - see page 1714 of the catalogue or visit [argos.co.uk/delivery](http://argos.co.uk/delivery).

## Fast Track Same Day Delivery - Smaller items

Our new Fast Track Same Day delivery service is available 7 days a week (subject to availability) with a delivery charge of £3.95. Fast Track delivery timeslots: buy before 1pm delivered by 6pm, buy before 6pm delivered by 10pm, buy before midnight and choose either our 7am-10am or 10am-1pm timeslot. If your item is out of stock for Fast Track or is not eligible for Fast Track delivery, our approved 3rd party partner will deliver it the next day. Available from Monday to Saturday on orders made before 6pm. If a signature is not required for the delivery the drivers will look to leave your parcel in a safe place or with a neighbour. We will leave you a card to let you know where or how to rearrange delivery. Exclusions apply, subject to availability.

## Larger items

Most items are delivered by our own two man delivery service. You can choose a delivery date and time when you order online, in-store or over the phone, otherwise we will call you to book a suitable delivery. Check your receipt or email confirmation for delivery information. The evening before your delivery - or occasionally on the morning of your delivery - we will text you your expected 2-hour delivery time slot. On your delivery day, our drivers should phone ahead before they arrive (unless it's an early morning delivery). Any item marked "Home delivery only" will be delivered to a room of your choice provided drivers do not feel there are any health and safety issues such as a staircase which is too narrow or there is danger of damage to the customer property (delivery to room of choice is not available on items marked as 48 hour delivery). If your order is a combination of small and large items, these will be despatched from different warehouses and will come in 2 separate deliveries but you will only pay one delivery charge. Check your receipt or email confirmation for your delivery information. \*★ Delivery is available from £6.95, and from FREE on large kitchen appliances. Next Day delivery is available on selected items if you place your order before 8pm (subject to availability). See online for more information. Some items are delivered by our trusted suppliers and in these cases delivery times may vary.

## Supplier Deliveries

Some items are delivered direct from our suppliers and may arrive separately or have different lead times from our standard service. We will notify you if this is the case when you order.

## Recycling of Old Appliances/TVs

This service is only offered through our home delivery service on the purchase of new large kitchen appliance or selected TVs. If you have ordered collection for a washing machine, dishwasher or fridge freezer the old appliance must be disconnected/defrosted and emptied of water prior to delivery of new appliance. See page 1712 in the catalogue for more details.

## Recycling

Please dispose of your old electrical appliances and any waste batteries responsibly. See page 1712 of the catalogue for more details.
